

Parks & Recreation Groundskeeper

The purpose of this position is to perform a variety of semi-skilled tasks related to the reconditioning of baseball fields and turf maintenance, and assisting with the maintenance of facilities and grounds during various events and activities throughout the year. This is accomplished by assisting higher-level maintenance staff with the preparation and maintenance of baseball fields, grounds, and related facilities.

Essential Functions

- Prepares and maintains baseball fields, bullpens and related facilities utilizing a variety of hand and power tools including edgers and weed eaters.
- Assists with turf maintenance including resodding, power washing and power brooming edges.
- Assists with reconditioning of fields including mounds, home plates, base passes, infield edges, replacing bases and base anchors and hauling materials.
- Performs painting of field and foul lines and logos.
- Assists with the application of drying materials and tarp pulling on fields during inclement weather.
- Provides general maintenance which includes raking leaves, cleaning walks and litter control around fields, buildings and grounds.
- Cleans restrooms and replenishes supplies as needed.

The ideal candidate is someone who is:

- Interested in learning more about parks and sports field groundskeeping.
- Interested in a flexible part-time schedule with an estimated 20-25 hours per week.
- Open to schedules that vary depending on assignment and could include nights and weekends.
- A safety conscious, punctual team player with a high work ethic.
- Comfortable and able to execute essential functions in high traffic, public use areas.

Requirements:

- Previous experience is preferred but not required.
